- College of Fellow Emerging Professionals Grant Application, due in early July
The College of Fellows has established a small grants fund to assist AIA components in the development of programs which foster the mission of Young Architects and Associates. These funds may be used to enhance the activities of an existing Emerging Professionals group or as seed money to help start a new one. Because one of the goals of the component grants program is to make Emerging Professionals groups a vital component activity, an explanation or demonstration of component commitment and support is essential. Please check back for information on the 2014 Emerging Professionals Component Grant.
- New England YARD replacement
 - Two year term
 - At National level it is allowed to renew once (total of 4 years maximum served as YARD)
 - Suggest rotating a YARD from the six states for diversification
- Regional Conference
 - Stress the importance of the future of the AIA to attend
 - Encourage a reduced rate for Emerging Professionals
 - Include programming of Emerging Professionals including a meeting for the state Emerging Professionals Committee members
