

Regional Associate Director Report

Board Meeting February 3, 2016

- **National:** I will be attending the National Associate Meeting in Detroit at the end of February.
- **Regional:** Regionally I am planning a meeting this fall for all Emerging Professional Directors in conjunction with the New England Conference. This will match our Regional Board model.
- **Other:** NCARB retitling IDP – Intern Development Program to “AXP – Architect Experience Program”. This is in conjunction with retiring the word “intern” and using “aspiring architects” or exam candidates”.
